IN RE:  360NETWORKS IOWA LLC	DOCKET NO. TCU-00-55 (TCU-00-25)
------------------------------------	-------------------------------------

**ORDER RECOGNIZING CORPORATE NAME CHANGE**

(Issued October 23, 2000)

On August 7, 2000, the Utilities Board (Board) issued an order approving the application of IC Fiber Iowa LLC (IC Fiber) for a certificate of convenience and necessity, pursuant to Iowa Code § 476.29 (1999), to offer statewide competitive local exchange service in the state of Iowa. The application was identified as Docket No. TCU-00-25. In the order the Board did not grant IC Fiber a certificate, but held that IC Fiber would be issued a certificate once it had approved tariffs which reflected the terms, conditions, and rates for providing local exchange service.

On September 14, 2000, IC Fiber filed an application with the Board stating that it had changed its corporate name from IC Fiber Iowa LLC to 360networks Iowa LLC (360networks). The application regarding the corporate name change has been identified as Docket No. TCU-00-55. 360networks filed an "Amended and Restated Certificate Of Formation" from the State of Delaware that reflects the amendment of its corporate name. IC Fiber thus becomes 360networks Iowa LLC for purposes of obtaining a certificate in the State of Iowa.

The Board will recognize the change in the corporate name of IC Fiber Iowa LLC to 360networks Iowa LLC. The recognition of the name change will not affect the obligation of the company to file proposed tariffs for Board approval before offering service in Iowa. The tariffs will now be filed under the name 360networks Iowa LLC and should be filed in Docket No. TCU-00-55.

**IT IS THEREFORE ORDERED:**

1 The Board recognizes the corporate name change from IC Fiber Iowa LLC to 360networks Iowa LLC.

2. At the time 360networks Iowa LLC files proposed tariffs to provide local exchange service, it must give notice to all affected local exchange carriers. Upon approval of the proposed tariffs to reflect the terms, conditions, and rates for service, the Board will grant a certificate of convenience and necessity to provide local exchange service. 360networks Iowa LLC cannot provide service until it has a certificate.
